FORECLOSURE ACTION

AGAINST MENHADEN CO.

A foreclosure action has been brought against the Menhaden Oil and Guano company of East Lyme, Frederick W. Mercer, of New London, receiver, by A. Allan Sauerwein, and Charles G. Baldwin of Baltimore, Md. The papers in the action have been filed with the clerk of the superior court in this city.

On or prior to April 22, 1919, the Menhaden Oil and Guano Co., duly authorized the creation and issue of its first general mortgage of \$100,000. The mortgage was executed and delivered to the plaintiffs as trustees for the common and equal benefit of those who might be holders of the bonds so issued, a mortgage of the Menhaden plant and property.

After the delivery of the mortgage the Menhaden Oil and Guano Co. issued bonds in the sum of \$100,000 on lien of permanent bonds.

The plaintiffs claim that the Menhaden concern has failed to pay the interest which became due on the temporary bond April 22, 1922.

The trustees have received from the holders of the \$100,000 temporary bond a written request that the trustees should act as should deem most expedient in the interest of the holders.
